To the extent it is relevant and possible, the Forum shall:

2. At regular intervals publish informative material on the possibilities in Denmark and/or with Danish companies, and about the opportunities seen from a Danish perspective in India or with Indian companies, for distribution in relevant Danish and/or Indian professional networks, Indian chambers of commerce etc.
3. Create optimal opportunities of transportation between the two countries.
4. Work to have optimal fast-track handling of business-related visa applications for Indian business people travelling to Denmark, and for Danish business people travelling to India.
5. Arrange and promote targeted exchange trips for Danish companies to India, and for Indian companies to Denmark, including and through local Indian chambers of commerce.
